HELP "TAKEOUT" THE EFFECTS COVID-19 HAS HAD OUR ON STRUGGLING BPS FAMILIES

The Bismarck Public Schools Foundation has partnered with Bismarck Applebee's to "takeout" the devastating effects COVID-19 has had on struggling BPS families. Applebee's has committed to donating 20% from the event days' total meal prices back to The Bismarck Public School Foundation for the COVID-19 BPS Family Assistance fund. This fund currently serves as a safety net for struggling BPS families to provide essential needs that cannot be met through existing community services and resources.

We are attempting to have some fun with this, so we thought it would be fun to have "school nights" as shown below. If you can't make it on your night but can go another night- no problem! The money all funnels into the same fund, helping the same cause.

MONDAY

APRIL 13TH
